LOS ANGELES

To explore, enjoy and render accessible the mountain regions of the Pacific Coast; to publish authentic information concerning them; to enlist the support and co-operation of the people and the Government in preserving the forests and other natural features of the Sierra Nevada Mountains.

THIS Roster is issued for the personal use of Club Members and is not to be loaned or used as a mailing list for commercial purposes without the written consent of the Executive Committee.

At the end of this Roster will be found a list with present addresses of those known to be in war service. In the regular alphabetical arrangement the names are starred (*) and the home address is given when known.

This is the first Roster issued by the Sierra Club. Undoubtedly there are many errors, though the committee has put in much time in endeavoring to make it accurate. Kindly notify the Secretary, Phil S. Bernays, of any errors you note, that our Club records may be correct and to insure proper insertion when another edition is issued.
